Monaca, Pa.

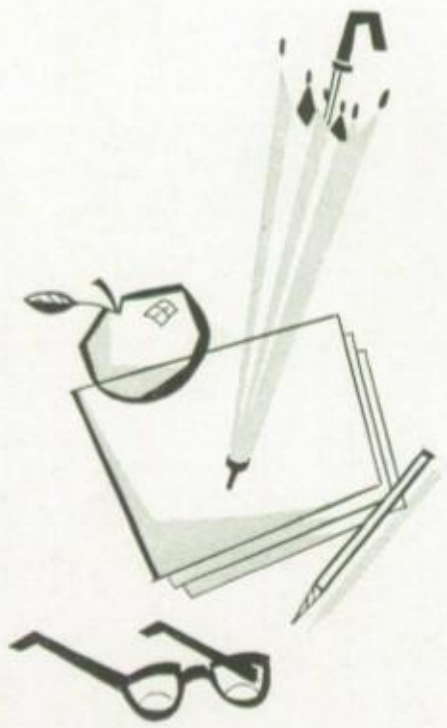
Mr. Crawford welcomes new members into the National Honor Society



Extra-curricular activities are undoubtedly an asset to a high school education. The students at Monaca High have a wide variety from which to choose. The various organizations cover interests ranging from athletics to journalism. The activities help to broaden the students' interest. The number of clubs has been growing steadily over a period of years. We hope that through these activities the students of Monaca will, in future years, exemplify the sound training they have received during their high school years.

Mr. Groscost gives an invigorating assignment.

Mr. Woznicki is contemplating his day's work.

Mr. Daniel watches over his studious homeroom.

# foreword

The staff of the 1959 ACANOM has attempted to place on the following pages a record of the 1958-59 school year. The record is intended to serve a dual purpose: first, as an instrument for pleasant reminiscing and, second, as another volume in the annuals of the Monaca High School.

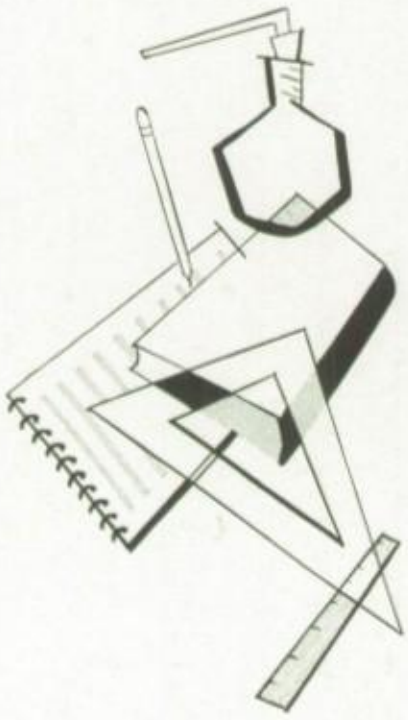
# An Activity For Everyone



Monaca High School steps are being used for more than just walking.

Will these girls be future homemakers?

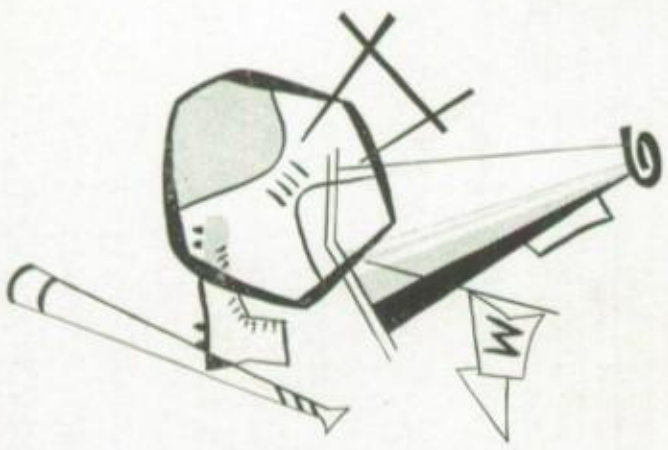
Monaca High School has an activity to suit the need of any student in the high school. Monaca, in football, baseball, basketball, and track competes with other schools in Beaver County. For those students who don't compete in these sports, the B.A. A. and G.A.A. sponsor a fine program in intramural sports. The wide variety of clubs is also enjoyed by all the students.

Make way, "students" are changing classes.

Don't they look intelligent?

# Sports Build Healthy Bodies

Look at those legs go!



This year the sports program for Monaca High School athletes included such varsity sports as football, basketball, baseball, golf, and track. Intramural sports such as basketball, volleyball, and bowling were included in B.A.A. and G.A.A. programs. By participating in the school athletic program, the students develop strong minds and healthy bodies. These sports also create leadership, sportsmanship, and fair play.

Senior girls go to Pittsburgh.

Monaca Area High does more than just give the students a well balanced education. There are many extra-curricular activities from field trips to Pittsburgh, to the Senior class play and finally the football team.

# Extra-Curricular Activities

There are many rehearsals before the final production.

Will he get through the line?

Look at our lively cheerleaders.

# For All

Selling pennants certainly kept the senior boys busy.
The students of Monaca do much to keep up the school spirit.

Our snappy drum major, Joe Danna, added much to the Monaca High School Band. He led our band during half time at football games and at parades. His ability to twirl was much appreciated by the student body.

# Essential Qualities for Success

**Freedom:**

On September 15, the mighty Monacatootha Warriors met and very skillfully defeated the Freedom Bulldogs. Star performances were exhibited by B. Nichol, R. DeBacco, J. Kushich, and C. LeDonne. The mighty Red Men gained a total of 257 yards against their opponents and scored seven touchdowns to go on to defeat them by a final score of 47 to 6.

**Rochester:**

Again, on the 23rd of September, the spirited braves were out to scalp the Rochy Rams. The Monaca fans witnessed their boys successfully defeat the Rams, by a score of 31 to 7. The mighty line of Monaca was just too much for the romping Rams. It was on this night that a lineman's dream came true. John Antoline, a brawny tackle, succeeded in securing a fumbled ball and gallantly galloped into the end zone. Yes, the Brunomen were victorious orally, but this win marked the beginning of a long losing streak. Many Indians were injured and were prevented from participation in many of the contests that followed.

**Coraopolis:**

September 27 marked the beginning of a heart breaking role for the Red Men. They were lacking the services of a majority of the starting 11, but gave the men from Cory a rough and tumble game all the way to the final gun.

**Midland:**

Although the Leopards of Midland were out of the W.P.I.A.L. running; still their Grid Iron Classic with Monaca will be remembered long in the hearts and minds of Monaca fans. Coming into this contest Monaca was still under par. Midland received many breaks in the contest and readily capitalized on all of them. Monaca played a losing battle in the fourth quarter, when the Leopards recovered and intercepted three Monaca passes and scored on all three.

**Hopewell:**

This year, it was a first in the history of Hopewell High, that a Monaca High Grid Iron Team was to meet defeat to the Vikings. The final score of 14-7, in the hearts and minds of these men, was nothing to be ashamed of and the only thing that was hurt was pride.

**Beaver:**

Once again on the 1st of November, the Monacatootha Red Men hit the Grid Iron to challenge the Beaver Bobcats. They entered this contest with only a few defeats behind them and now had planned to cope with these opponents and subdue them with as little effort as possible. They were still suffering from the preceding game injuries, but entered with a new spark of spirit and vitality. The event was a masterpiece of Grid Iron tactics from both teams. In the closing minutes, the Beaver team capitalized on a break which proved a heart breaking score of 7-0 and once again the spirited Braves went down in defeat.

**New Brighton:**

Finally on November 8th, the long string of defeats and heart breaks were over for the mighty Indians. For on that cold, foggy night, the Warriors met the Lions of Brighton on their own ground and brilliantly defeated them by a surprising score of 18-0. This truly was an upset for the Lions were the contenders for the title of Midwestern Conference Champions and the Red Men put an end to their hopes and dreams. The Indians were certainly a tribute to the community of Monaca.

Coach Pritchard gives team instructions

Monaca's new head Coach, former Monaca and Geneva cage star, Otto Pritchard, outlines the new system that Monaca's basketball team will use this year.

L. to R.—Head Coach O. Pritchard, Jr. High Assistant Coach, R. Opsatnich, Head Jr. High Coach, R. Woznicki, Reserve Coach, S. Alberts.

The coaching careers of Otto Pritchard, Sarge Alberts, Richard Woznicki and Richard Opsatnik began with the 1958-59 Basketball Season. Even though the teams did not prosper too well in the win column, the student spirit was behind both teams and coaches all the way.

Building of teams and coaches takes time and experience. Together, and with effort by all, we again will have winning basketball teams.

Head Coach, Otto Pritchard, graduated from Geneva College in 1957. His assistant Howard "Sarge" Alberts, is also a graduate of Geneva.

The new Junior High Coach, Rich Woznicki, graduated from Pitt last spring. He was a former Aliquippa High School cage star.

The two new coaches faced a tough job of rebuilding at Monaca, and they did a fine job of teaching the boys. The Indians tried hard in every ball game, but lacked height and speed. Every great team has an off year and this happened to be Monaca's. However, the school spirit was not lacking, and the coaches were satisfied with the final outcome.

At the first meeting of the senior class, the class officers were elected. They are: President, Ralph Riedel; Vice-President, Christy LeDonne; Secretary, Connie Blair; and Treasurer, Ed Beighey. Once again the senior class sponsor is Miss Margaret Smith. Under the leadership of Miss Smith and Ralph Riedel, and with the cooperation of the students and faculty, the many activities of the senior class were a great success.

The Acanom was one of our greatest activities. Everyone enjoyed the class play, "Sabrina Fair." Several money-making activities were a "Sadie Hawkins" dance, the sale of candy, wrapping paper, pennants, pom-poms, and football programs.

Monaca High School's senior cheering section is composed of Jeanne Nestich and Levina Groves. The senior majorettes are Donna Beckman and Roberta Fronko. Susan Potter is our mascot. With them as our leaders, we cheered for our team.

We shall always remember the Football Crowning at which Doris Anderson was crowned Queen by the King, Randy Robertson. In the talent review, we gave all the talent in the school a chance to participate and display their talents. On May Day, a queen was crowned and several groups provided entertainment. Senior Day and the Commencement activities were heights of our senior year.

We wish to extend our sincere thanks to Miss Smith for giving us her time and energy for the success of the senior class.

We the graduating class of '59 wish to express our appreciation to Miss Margaret Smith, our Senior Class Sponsor. She willingly accepted this responsibility which not only included the sponsorship of the Senior Class, but also the task of helping with the 1959 yearbook.

Miss Smith's home town is Latrobe. She finished high school there and graduated from Grove City College in 1956 with a B.S. degree in Commercial Education. This is Miss Smith's third year of teaching at Monaca High School. She is now teaching first and second year typing.

# Juniors

The Junior Class under the sponsorship of Mr. Ralph Cantelmi chose their class officers the preceding school year.

The officers are: Dominic Lucci, President; Sally Donavan, Vice-president; Secretary, Pat Weber; and Treasurer, John Bickerton.

We started the year off by having our first class meeting in the first month of school. At this particular meeting we discussed the following subjects: class dues, money-making projects, and most important our annual candy sales, by which we receive most of our money for our various activities during the year.

This year, as in the past few years, the Junior Class did not sponsor a class play.

The Junior Class also sponsors the Newspaper Club. This club, which is made up of juniors, is a wonderful activity and we hope that club will continue in the many years to come.

This year, as always, the Junior Class sponsored the Junior-Senior Prom in honor of our Seniors. The following committees and chairmen rendered a great service toward the making of the Prom: Dominic Lucci, general chairman; Barbara Olshanski, chairman of the decorating committee; John Bickerton, chairman of the ticket committee; Sally Donovan, chairman of the program committee.

We wish to express our best wishes and good luck to our wonderful seniors.

# ACKNOWLEDGEMENTS

Each year at Monaca High School there is a special group of persons who have the responsibility of putting a yearbook together. Needless to say, these people spend much time and energy in this undertaking. We, the editors, would like to give our sincerest thanks to these people who have done so much to make the 1959 Acanom a truly great publication.

We cannot close this Acanom without giving our deepest thanks to Miss Smith for the endless assistance she has contributed in the preparation of this yearbook. Without her, this yearbook would have been a publication minus the humor and originality which has been dominant in the past Acanoms.

For their kindest co-operation, we must also give special thanks to the administration, the faculty, the student body, Graule Studios, S. K. Smith Co., The Canton Engraving Co., and The Painesville Publishing Co.

Working together to make our G.A.A. and B.A.A. Christmas Formal a success.
